CALL FOR PAPERS

THE ROLE OF THE CONSULTING ENGINEER IN A CHANGING WORLD: THE AFRICAN PERSPECTIVE

Papers are invited for the 27th Annual FIDIC-GAMA Infrastructure Conference. This is an opportunity to share your work with African and international colleagues and to engage in dialogue on your topic.

Consulting engineers at all career stages are encouraged to submit abstracts. Abstracts will be peer reviewed. Acceptance will be based on content, available space, and overall programme balance. Authors whose abstracts are accepted for presentation will be requested to submit a full paper (4-6 pages, 2-column, GAMA format) and will be required to register for the conference.

GUIDELINES

Abstracts must...

- ...be relevant to consulting engineering in Africa and fall reasonably under the conference theme and sub-themes
- ...adequately describe the work so as to allow reviewers to evaluate the quality, originality, and thoroughness of the work
- ...be submitted in English (the language of the conference is English, which will be used for all printed materials, presentations, and discussions)
- ...be no longer than 400 words

SUB-THEMES

- 1) Challenges and Disruptions: The Consultant's Experience
- 2) Project Procurement and Implementation
- 3) Integrity and Ethical Project Implementation
- 4) Infrastructure and Social Development: The Role of the Consulting Engineer
- 5) Engineering Achievements in Africa
- 6) Regulations and Engineering Standards: The African Perspective

EXTENDED!

ABOUT

CONFERENCE | NETWORKING
EXPO | SOCIAL

Infrastructure development in Africa is critical to bringing about the social development and economic growth that is necessary. FIDIC-GAMA 2020 provides the opportunity to interrogate challenges and opportunities in our sector and our region and to explore strategic partnerships.

This two-day conference offers discussion, debate, exhibitions, and the chance to interact with hundreds of like-minded professionals.
